

# The PLAY PARLOR FAQs

## What ages are allowed?

All ages are welcome! The play area is geared toward preschool and elementary ages. If an older child would like to visit, we will charge \$8 adult admission.

## Are strollers allowed?

Our space is limited and we do not have the space for a stroller. If you have special considerations please email [theplayparlor@gmail.com](mailto:theplayparlor@gmail.com)

## Do I have to pay for a baby?

Babies 12 months and under are free with any paid child admission within the same family or any family membership. If you would like to attend with just a single baby, even with a friend or someone outside your own family and no other older children, you will need to pay an adult admission fee of \$8 per adult at check-in.

## Do adults have to pay?

We allow 2 adults complimentary per party (not per child). If you do have additional adults (over the age of 10 years) that would like to attend beyond the included 2, they are welcome, but will have to pay the \$8 adult admission fee per additional adult.

*Please be understanding as we have to be mindful of our capacity.*

## What is the cancellation policy?

We do not issue refunds however, you can reschedule your session from the confirmation email that you received. Please cancel at least one hour before session and we can assist you with the reschedule.
